Envy theory would posit that this response reflects the fundamental operation of œprojective identification,œ a part of projective internalization (see chapter 7), especially its role in prompting, exploring, and communicating.

Envy Theory: Perspectives on the Psychology of Envy - PDF

Envy was first published in German in 1966, then in an English translation in 1970. This classic study is one of the few books to explore extensively the many facets of envy -- "a drive which lies at the core of man's life as a social being."
