

European integration and defence pdf

Learn about the European Defence Agency, our role in European military coordination, security and defence policy and the latest industry news.

European Defence Agency

The post-war period saw several short-lived or ill-fated initiatives for European defence integration intended to protect against potential Soviet or German aggression: The Western Union and the proposed European Defence Community were respectively cannibalised by the North Atlantic Treaty Organisation (NATO) and rejected by the French Parliament.

Common Security and Defence Policy - Wikipedia

Background. The intergovernmental nature of European defence (CSDP) has meant that its evolution and development has been entirely dependent upon political will and the convergence of competing national interests among the EU Member States, in particular the UK, France and Germany.

Sectors - Growth - European Commission

The European Union is a geo-political entity covering a large portion of the European continent. It is founded upon numerous treaties and has undergone expansions that have taken it from 6 member states to 28, a majority of the states in Europe.

History of the European Union - Wikipedia

Notes. 1: Tuma and Pauly, 2010. Thanks to Alex Callinicos and Jane Hardy for reading and commenting on an earlier draft of this article. 2: Soutou, 1996, chapters 1-3, while focusing on the Franco-German relationship, provides a very detailed account of how security concerns were at the heart of diplomatic manoeuvring at the time.
