Love addiction is a proposed model of pathological passion-related behavior involving the feeling of being in love. A medical review of related behaviors in animals and humans concluded that current medical evidence does not support an addiction model for maladaptive passion-related behaviors. There has never been a reference to love addiction ...

This week we have a few posts about addiction recovery. Sometimes when we have this type of conversation there is a wide knowledge gap between those who have been through the programs, sometimes for decades, while others have absolutely no experience with recovery, or the groups which help those in recovery.
