The consequence of the changing NHS system architecture is that trusts are juggling a growing number of roles and expectations. Trusts are seeking to meet rising demand and incredibly stretching operational and financial targets, and at the same time, transform services in their local health economies through local integration and collaboration. Additional regulatory intervention and burden at ...

It is easy to change the view of a page in your PDF file, and most of us will select View > Rotate View > Clockwise or Counterclockwise. However, if you close the file and reopen it at a later time, you will be looking at the original orientation of the page and not the view that you have previously changed.
