Innovate My School - Creative curriculum implementation in

Promoting a creative curriculum and achieving high standards Primary leadership considerations Spring 2010. Introduction The development of a revised national primary curriculum is likely to raise questions for school leaders about how its introduction will best be led and its aims upheld. This study set out to explore in a small sample of schools responses to the question, â€˜How do schools ...

Promoting a creative curriculum and achieving high standards

The Creative Curriculum highlights the important balance between applying a general knowledge of child development with the particular knowledge a teacher gains by forming a relationship with each child and family.
