Go ahead and tan it yourself! It is amazing to watch this wet, sometimes unappealing, mass of skin transform into a beautiful and useful material --- and do it in your own backyard with simple tools.

Tan Your Own Hide

In its early days, Facebook was all about text and links. But as it has grown up, images have become more and more important. They're now more important for design and identity on the user interface, like your profile picture or cover photo.
