The Great American Empire, officially The Great Christian Empire of All The Americas and Her Holdings, is a massive global empire, with holdings on six of the world's seven continents. It was established in 1922 by the first Emperor Michael I, who led Americans into the Second Age of Imperialism...

Great American Empire - Constructed Worlds Wiki

The Great Deformation is a searing look at Washington's craven response to the recent myriad of financial crises and fiscal cliffs. It counters conventional wisdom with an eighty-year revisionist history of how the American state—especially the Federal Reserve—has fallen prey to the politics of crony capitalism and the ideologies of fiscal stimulus, monetary central planning, and ...
