The term Great Work (magnum opus) is a term used in Hermeticism and in certain occult traditions and religions such as Thelema. The Great Work signifies the spiritual path towards self-transcendence in its entirety. This is the process of bringing unconscious complexes into the conscious awareness, in order to integrate them back into oneself.

The ultimate goal of alchemy is a process known as the great work or the magnum opus in Latin. This involves spiritual transformation, the shedding of impurities, the joining of opposites, and the refinement of materials. Exactly what the end result of this profound transformation is, varies from author to author; it could be, self-realization, communion with divinity, fulfillment of purpose, etc.
