The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials!

What Is Readability? Readability refers to the ease with which text can be read and understood. Readability formulas are often used to assess the difficulty of text. These formulas use mathematical calculations to produce a score. The score shows the relative difficulty on a continuum from easy [â€¦]
