The Logic of Scientific Discovery "One of the most important philosophical works of our century."™  
Richard Wollheim, The Observer "Wonderfully exhilarating."™

### **The Logic of Scientific Discovery - Strange beautiful**

Quantum teleportation is a process by which quantum information (e.g. the exact state of an atom or photon) can be transmitted (exactly, in principle) from one location to another, with the help of classical communication and previously shared quantum entanglement between the sending and receiving location.
